

Introduction to Particle Physics and Structure of Our Universe

Assignments

1. Report #1 on "Why I have chosen to take this FYO seminar course."
Typewritten (12pt font): five pages maximum. (due date: Tuesday, September 13, 2022). Also, include briefly what you know (or your idea) currently about our universe.
2. Report #2 on "What I have learned in this course and what has changed my view of the particle physics and our universe." (up to and including Nov. 22 lecture.)
(due date: Tuesday, November 29, 2022).

The report should be turned in as a hard copy with your name on it.
